

2008-2009 TMEA All-State Jazz Audition Etudes Educational Recordings Order Form

Brian Allen . 65 Robinhood Lane . Clute, TX 77531 . email: jazz@braintone.com (no phone orders please)

Each etude includes:

1. Performance of each etude at performance tempo. Select etudes recorded at practice tempos.
2. Play-along tracks of piano and bass "comping" in tempo, style and chords of each etude (n/a with some piano and guitar etudes).
3. Masterclass covering etude preparation and jazz style by professional jazz musicians and jazz educators. See www.braintone.com/jazzcd for a complete list of clinicians and additional order forms.

Get the recordings faster!! Save money!! Download MP3s!! 100% Guaranteed!!

All tracks are available as MP3 downloads. Upon receiving payment or payment information, a secure link or links to your files will be emailed to you via the leading online file storage website YouSendIt. The files can be downloaded one time, at your convenience. Should there be any complications in the downloading process, let us know so we can fix any problems ASAP. You do not need to register for any account, install any software or programs to receive these files and there are no advertisements or spyware. YouSendIt verifies all files are virus-free. We strongly encourage this option as you will receive the recordings much faster with no worries about post office delivery or shipping delays. And because there are no shipping and handling costs or CD manufacturing costs, we can offer the recordings at a much lower cost to you. If you are unable to download the files, we also offer a burned **CD-R** of your MP3 files for an additional cost of \$25. This option will take longer because of the time involved in shipping the CD-R. You will still receive the MP3 download link unless you specify otherwise.
